

Koli Datta Roy

Koli grew up in a musical environment where both her parents' families contributed to her keen interest in music and dance. Her father (a teacher of Hindustani Classical Music) ignited her passion for music, while her aunt (an accomplished dancer) exposed her to the world of Kathak dance.

She has Sangeet Prabhakar degrees in both Hindustani Vocal Classical Music and Kathak Dance from Prayag Sangeet Samity, Allahabad. She is a student of the maestro Ustad Ali Akbar Khan. She has performed in various music and dance programs in India, USA and Canada.

Last year she formed a company, Surangan, with some talented local artists. On October 13th, she will be presenting the show 'Musical Heartbeat' with her co-singers. It will be an entertaining musical program (popular Bengali and Bollywood songs) with a little twist.

Bet you guys are going to enjoy it!!
